

Séminaire commun
LaMCoS-Ecole Doctorale MEGA
Mécanique, Energétique, Génie Civil, Acoustique

**Modeling and Simulation
of
Welding Process**

Professor LU Hao

Welding Research Institute, Shanghai Jiao Tong University

Jeudi 20 janvier 2005 à 11 heures

INSA Lyon – Salle Capelle -
Bâtiment Marco Polo

Part 1 : Welding deformation and stress prediction

Part 2 : Determination of local post weld heat treatment criteria by numerical method

Part 3 : Simulation of special welding process

Part 4: Research activity of Welding Engineering Institute of Shanghai Jiatong University
